

## #Tagged16

Use the hashtag #BioFuels101 on Twitter, Facebook, and Instagram to ask questions, participate in the conversation, and learn more about the biofuels industry!

Before watching the live Teach Ag Day session, what did you already know about teaching agriculture as a career choice?

What makes being an agriculture teacher so special?

List and define three ways that agriculture teachers positively impact agriculture.

What are the requirements to Teach Agriculture in your state (ask your agriculture teacher)?

What's one more additional question you have about teaching agriculture that you'd like to explore more?

List two ways that Teach Ag sponsors support agriculture teachers?

**Happy National Teach Ag Day! Have you ever thought about becoming an agriculture teacher? Talk to your teacher or visit our website at [www.naae.org/teachag](http://www.naae.org/teachag) for more information.**
