# WHY NAAE? WHY NOW?

## RESOURCES YOU NEED

- **Communities of Practice - Join Anytime**  
Find lesson ideas, advice from seasoned professionals, and network with your peers in the profession. [communities.naae.org](http://communities.naae.org)
- **Upper Division Student Scholarships - Due May 15** - For NAAE members during their student teaching semester — apply the year before you student teach. (If you're student teaching fall 2016 or spring 2017, apply in 2016).
- **Professional Development - All Year**  
Student members are always welcome, but we also have opportunities geared toward you. Watch [naae.org](http://naae.org) for details.

## GROW YOUR RESUME

- **National Agriscience Preservice Teacher Program Due in September**  
One-day workshop during the National FFA Convention. Learn about inquiry-based teaching methods & enhancement of science in agriculture.
- **NAAE Student Internships - Due in December**  
Communications, professional development & advocacy. See a different side of agricultural education.
- **Teach Ag Ambassador Program - Due in March**  
An elite group of ag education majors selected to represent the profession.

## GET IN THE LOOP

Subscribe to our newsletter, the US Ag Ed listserv, our Facebook page, and Twitter. Find the details at [www.naae.org](http://www.naae.org).

## JOIN SOONER, NOT LATER

Our programs aren't just for seniors. Don't miss an opportunity. PLUS, student membership includes a \$100,000 liability insurance policy, useful any time you have contact with students.

**Student Membership is \$10**
