#### Agriculture Teacher Supply and Demand Highlights

- The **demand** for agriculture teachers continues due to program growth, expansion, retirements and openings.
- School districts **value** the agricultural education model of rigorous **STEM** based classroom and laboratory instruction, experiential learning and leadership development.
- The **retention rate** of agriculture teachers is historically high at nearly 97%.
- The **conversion rate** of agricultural education graduates is at an all-time high of 77%.
- New agricultural education majors are predominately Caucasian (87%) and female (74%).
- School districts are hiring a high number of alternatively certified and non-licensed teachers to fill open positions due to demand.
