2015 Kansas Ag Teacher Job Shadowing Day Application

Ten current high school students will earn the opportunity to spend the day with a high school agriculture education teacher other than their own and find out what it's really like to Teach Ag.

ELIGIBILITY: Current Kansas high school agriculture education students/FFA members. Preference will be given to high school juniors and seniors.

DEADLINE: Applications must be submitted by **Thursday, October 15th, 2015**, to jclark@usd313.org

CRITERIA: The application should include Name, Address, Phone #, Email, Grade Level, School Name, School Address, School Phone #, Advisor's Name, Advisor's Phone #, Advisor's Email.

Also, please include a paragraph (250 words or less) explaining why you are interested in becoming an Ag Teacher/FFA Advisor.

Finally, please list up to three (3) Ag programs in the state that you would prefer to visit in priority order and explain why.

From the applications received, the top ten (10) applicants will be selected by **Sunday, November 15th, 2015**. Selected applicants will then be notified and given instructions on how to make arrangements for their job shadow day to be completed by the end of the spring semester.
