There is currently a critical need for agriculture teachers across the country. The National Teach Ag Campaign is working to ensure an adequate supply of quality and diverse agriculture teachers who will inspire the next generation of leaders, problem solvers, and agriculturalists. The National Teach Ag Campaign is an initiative of the National Council for Agricultural Education, led by the National Association of Agricultural Educators. The National Teach Ag Campaign is sponsored by the CHS Foundation, DuPont Pioneer and Growth Energy as a special project of the National FFA Foundation.
