NATIONAL TEACH AG CAMPAIGN
OPPORTUNITIES AND RESOURCES

Teach Ag Ambassador Program
- Attend the National FFA Convention and TAG the next generation of agriculture teachers.
- Represent the National Teach Ag Campaign at state, local, and national events.
- Work alongside state leaders and key stakeholders in agricultural education to develop sustainable and effective agriculture teacher recruitment strategies.
- Develop a cohort group of current and future agriculture teachers that fosters mentoring relationships within the agricultural education profession.

National Teach Ag Day Collegiate Opportunities
- Join us live on location for the Future Agriculture Teacher Symposium.
- Host a live watch party.
- Participate in the Collegiate Teach Ag Day Contest.

Future Agriscience Teacher (FAST) Symposium
- Attend the National MANRRS Conference, Cultivating Change Summit, National Teach Ag Day, or NAAE Convention.
- Receive professional development credit for participation in CASE and National Agriscience Teacher Ambassador Program trainings and workshops.
- Network with current and future agriculture teachers who share your passion!

Teach Ag Website Resources
- Search for a college or university that offers an agricultural education degree.
- Find teacher certification requirements and current job openings by state.
- Read archived editions of Teach Ag Times for college tips and scholarships.
- Follow the “A Day in the Life of an Ag Teacher” bloggers to find out what it’s really like to be an agriculture teacher.
- Discover more about the current national agriculture teacher shortage.
- Join the National Teach Ag Campaign.

E-Newsletters
- Teach Ag Times -- a newsletter keeping you up-to-date on opportunities and resources for you as you pursue a degree in agricultural education.
- New Teacher News – a newsletter that keeps you informed of everything new teachers and preservice teachers need to know as they enter the classroom.

The National Teach Ag Campaign is a project of the National Council for Agricultural Education, led by the National Association of Agricultural Educators. Funding for the National Teach Ag Campaign is provided by the CHS Foundation, Corteva Agriscience, Agriculture Division of DowDuPont, Growth Energy, and BASF as a special project of the National FFA Foundation.

Visit naae.org/teachag for details about all these opportunities.
