What is National Teach Ag Day?

National Teach Ag Day is designed to encourage others to teach school-based agriculture and recognize the important role that agriculture teachers play in our schools and communities.

Who is it For?

National Teach Ag Day is for anyone who wants to celebrate school-based agricultural education, share the story of agricultural education's importance and effectiveness in the United States, and encourage students to consider careers as agricultural educators. Anyone who wants to participate can find a variety of resources to help them talk about agricultural education at www.naae.org/teachag.

What Happens on National Teach Ag Day?

Agricultural educators and agricultural education advocates will engage in a variety of activities to celebrate and promote the career of agricultural education. These activities may include capitol rallies, special lessons, community activities, and more. The Teach Ag website is a clearinghouse of resources to help teachers and advocates, and free resources found there include a video, suggested teaching activities, games, and giveaway items.

Participate in the Celebration

The festivities will kick-off virtually from **Portland, Oregon** on **Thursday, September 16** at **10am EDT** and will conclude at **1pm EDT**, with a variety of features and engaging discussion throughout the day to celebrate the positive and vast impact agriculture teachers make in and out of their classrooms, and encourage others to consider a career teaching agriculture. Make sure to follow our social media accounts to celebrate with us! Teachers and students across the nation will also have the opportunity to chime in through social media to share their celebrations with us. To join the webcast, log on to www.naae.org/teachag on **September 16th**.

Who is Responsible for National Teach Ag Day?

National Teach Ag Day is a part of the NAAE National Teach Ag Campaign and sponsored by the **CHS Foundation**, **Corteva Agriscience™**, **Growth Energy**, and **BASF**.
